

The Father Thomas K. Flanagan Award is presented each year to honor an individual in our Society who has made many contributions to this community. Father Flanagan was a faithful member of this Society and was one of our Honorary Directors until he was called by his Maker, several years ago. He epitomized the life of a priest in giving to his God and community.

The Honorees include:

- |      |                               |
